

# Astound Workers

## ***Union Zoom Meetings 1/19/2024 and 1/21/2024***

### ***7:00 PM***

**It's About  
Work Place  
Issues**

We are scheduling two meetings so all Astound (WOW) workers have an opportunity to learn about the upcoming election to join IBEW Local Union 21.

**It's About  
RESPECT**

**It's About  
DIGNITY**

Despite an overwhelming majority of your co-workers already voting Union Yes Astound management convinced the NLRB that you were confused when you voted to form your Union.

Prove that management is again wrong. Show Astound management that they are the ones who are confused and that you, their workers, have the power to change the rules by unionizing.

**Vote Union Yes on Tuesday, January 23, 2024.**
