

The Time for Change is NOW!

Join with your coworkers who are making a difference at DirectSat. They will be holding a meeting with representatives from the IBEW on Tuesday August 13th to discuss how you can work together to improve your working conditions at DirectSat.

You've given them a chance but DirectSat has continued to take advantage of you and your coworkers. Now is the time for action. You have the power to change the way you are treated at work.
